*Independent Care*

## *Our Branch*

Manorcourt Homecare's Saffron Walden branch provides tailored support and personal home-based care packages on either a regular or temporary basis, and enable people to continue to live independently in their own homes.

The manager is supported by an experienced team, including care advisors and care coordinators, all of which have worked in the health and social care sector for many years.

Manorcourt Homecare specialises in providing care services for people who wish to remain living in their own homes for as long as possible. In addition, services from the Saffron Walden branch include providing personal care routines, such as bathing and dressing; domestic tasks such as washing, ironing, cleaning, cooking and shopping; live-in care for short or long term periods and respite placements into residential care homes.

*Our care initiative lets individuals select the care they need, at the times they want and on the days that suit them. This can include anything from a temporary service, for example to enable individuals to return home from hospital to recuperate in their own surroundings with the support of professional carers, to arranging 30 minute 'pop-in' calls for comfort breaks, medication support or safety checks, through to more intensive 24-hour or live-in care.*

The aim of a bespoke package is to provide the vital support services to people in Saffron Walden and the surrounding areas, enabling them to continue to live independently in their own homes, with 100% confidence.
